Introducing the Wyman Pianoforte...

Wyman Pianoforte Premium Grand Pianos

Designed and hand crafted for musical excellence, these beautiful new Wyman Pianoforte grands feature superior musical performance that will

please even the most discriminating musician. Our talented team of designers and skilled technicians, rich in piano making experience spanning more than half a century, have come together to create the stunning new Wyman Pianoforte grand piano in a new state-of-the-art factory in Northern China. Simply put, these magnificent new instruments will out-perform traditional brands costing thousands of dollars more.

Wyman Pianoforte grand pianos are available in 4 popular sizes: 5' 3", 5' 8", 6' 3", and 7' 0". All feature beautifully finished sand cast plates and TriPhonic™ spruce soundboards for optimum tone and durability. The Wyman 19-ply hard rock maple pinblock offers superior tuning stability. Wyman hard maple treble bridges are individually notched by hand, just as skilled craftsmen have done for centuries. TriPhonic™ cantilevered bass bridges used in Wyman Pianoforte grand pianos afford maximum bass performance. Wyman strings are made from premium Roslau music wire from Germany, and Wyman Pianoforte hammers are constructed from German felt, resulting in pleasing piano tone. Wyman Pianoforte grands feature the premium Yumei™ action constructed of premium Hornbeam and utilizing an extruded aluminum main rail for additional stability. Wyman Pianoforte grands feature premium Yumei™ spruce keys, which offer perfect key spacing and alignment for years of trouble free performance. Other cosmetic enhancements make the Wyman Pianoforte grand a beautiful addition to the décor of any tastefully decorated home.

There are no shortcuts to beautiful piano tone. These are hand crafted instruments in the most literal sense, from design through to execution. One by one, these magnificent instruments come to life at the hands of skilled craftsmen with many years experience in the art of piano building.

Why Wyman?

Today's discerning customer is searching for the right combination of quality and value. In response to that demand, Wyman Piano provides a full line of upright and grand pianos. These acoustic instruments are available in a wide selection of sizes and finishes, ranging from our 42.5" continental vertical to the classic, elegant 6' 1" grand. They are manufactured to exacting standards under the watchful eye of our experienced team, and are available at prices that make them appealing and affordable.

Experienced musicians and students alike will appreciate the pleasing tone and responsive action of these beautiful instruments. To ensure quality of tone, Wyman pianos incorporate several proven and unique construction elements, such as the 19-ply

Wyman wrestplank and the Wyman TriPhonic™ spruce soundboard, that ensure solid tuning stability and maximize sound transmission.

The full range of style and finish options allow the discerning customer to find just the right model for their home, business, place of worship, or school. Finish selection varies by model, from traditional polished finishes in Ebony, Cherry, and Mahogany to American Country Gallery Oak, French Provincial Sable Cherry or, by special order, grands in a truly beautiful Polished Snow White. Vertical pianos are produced in a variety of cabinet styles to blend with any home's décor, ranging from contemporary to the traditional. The classic shape and styling of Wyman grand pianos convey a sense of timeless elegance.

Music is the universal language of culture and beauty that spans international boundaries. What better way to bring that culture and beauty to life than with a Wyman Piano?

America's new piano value leader...

Wyman Vertical Pianos: The Wise Choice!

Wyman vertical pianos come in an exciting array of quality styles and finishes to meet every need, from practical designs and

small entry-level instruments to larger professional studio upright models and the Wyman Vertical Grand. The Wyman polished finishes are as durable as they are beautiful, adding beauty and style to any décor. The new Wyman American Designer Collection models feature beautiful satin finishes in popular sizes and designs for today's casual American lifestyle. Home – the best place to be with your new Wyman vertical piano! Wyman instruments are made only from the finest materials to provide you and your family a lifetime of musical enjoyment.

Wyman Vertical Grand

The striking Wyman Model WV132 52" Vertical Grand provides the serious pianist with grand piano sound and performance from a quality upright piano. Its extra large soundboard area and longer bass string length produces more volume and provides the tone of a parlor grand piano. The beautiful Classic Polished Ebony finish provides durability for any use, and of course a matching bench which opens for handy music storage is available.

Wyman Studio Uprights

Carefully crafted to exacting specifications at our state-of-the-art factory in Asia, Wyman Studio Upright models provide quality musical performance for the beginner and the more advanced player alike.

The Wyman Model WV120 is a 48" studio upright available in two styles: Classic Polished Ebony with straight legs ending in a stabilizing toe block, and also a beautiful Classic Polished Mahogany with curved legs ending in a stabilizing wooden base. This is classic styling in a practical format to assure years of quality performance. A deluxe adjustable bench is available.

The Wyman Model WV118 is a 46" studio upright available in Institutional Satin Walnut or Traditional Polished Ebony finish. This traditional studio model also features top and fallboard locks, as well as a classic straight leg styling in a practical format with toe blocks for safe and easy moving

around. This popular studio size is perfect for school or church use, as well as in the home. The beautiful matching bench is available, and opens for handy music storage.

The Wyman Model WV115 is a 45" studio upright available in three finishes: Classic Polished Ebony, Classic Polished Mahogany, or Classic Polished Cherry. Each features our standard studio piano styling with straight legs ending in the standard toe block. Of course, a matching padded bench that opens for music storage is available.

The Wyman Model WV110 is a 43" studio upright also available in Classic Polished Ebony, Classic Polished Mahogany, or Classic Polished Cherry. These pianos feature the good looks of the larger Wyman studio pianos, as well as stabilizing toe blocks, but in a more compact size. Because these instruments feature a large scale design, including more soundboard area and longer bass string speaking length, they sound richer and fuller than many larger competitive instruments of lesser quality.

Wyman Continental Verticals

The Wyman Model WV108 is a 42.5" continental style console piano available in three contemporary polished finishes: Polished Ebony, Polished Cherry, and Polished Mahogany. These popular models fit nicely in today's contemporary home setting, providing quality piano performance and value: the hallmark and tradition of the Wyman piano. A deluxe padded bench is available, and also opens for convenient music storage.

Wyman American Designer Series

A Wyman exclusive! These elegant new instruments feature American furniture styling by our award winning Wyman designer in America. The striking colors and smooth satin finishes enhance the beautiful wood grain featured in each style. The gracefully carved music desks and carefully coordinated leg designs add elegance and character to your room décor. These beautiful instruments will stand the test of time, and provide you and your family with generations of musical enjoyment. Wyman: exquisite pianos of extraordinary quality and value!

The Wyman Designer Series Vertical Model WV110 is a 43" console piano that is available in four styles: Sable Brown Mahogany, American Country Gallery Oak, French Provincial Sable Cherry, and Country French Oak. Each comes with a beautiful matching bench that opens for handy music storage.

The sleek and elegant design of the Wyman Designer Series piano allows placement in smaller areas of the home, without sacrificing the musical quality and performance expected of Wyman instruments. Its large-scale design affords a larger soundboard and longer bass string speaking length for a tone superior to that of many larger pianos of lesser quality. These beautiful Wyman instruments are the focal point of family musical enjoyment wherever they are placed in the home.

Wyman Grand Pianos

The Wise Choice! Four popular sizes to choose from:

Model WG145 – 4' 9"

Model WG160 – 5' 3"

Model WG170 – 5' 7"

Model WG185 – 6' 1"

Wyman grand pianos offer classic grand piano styling in a number of popular colors and finishes. Wyman grands provide quality grand piano performance typically found only in grand pianos that cost much more, delivering on the Wyman promise of quality and value!

The traditional shape of the modern grand piano instantly conveys a sense of timeless elegance. Friends and family alike will associate your quality Wyman grand with a passion for the finer things in life: beauty, culture, education, intelligence, and in general, a higher standard of living. Music is the universal language of culture and beauty that spans international boundaries. A Wyman grand piano in the home points to a cultured lifestyle. A Wyman grand piano in the home indicates a passion for beauty and upscale living. A Wyman grand piano is the wise choice.

Classic Polished Ebony provides your Wyman grand with a timeless elegance that will compliment the most discriminating setting. The durable burnished finish is easy to care for and will maintain its beauty for a lifetime. The beautiful matching bench opens for handy music storage.

The Wyman grand in Contemporary Polished Mahogany offers a deep hued wood grain finish that is as durable as it is beautiful. Grand pianos are classic in shape and unique in their character, and this beautiful instrument will also add much to its surrounding decor. This Wyman instrument speaks elegance in a very eloquent way! The beautiful matching bench also opens for handy music storage.

The Wyman grand in Classic Polished Snow White will dramatically enhance the ambiance of a special room's décor. Picture this showpiece Wyman instrument as seen by your neighbors through your living room window! It is absolutely stunning, and is now available by special order. Matching padded bench is available.

The French Provincial Wyman grand in Classic Polished Cherry finish is available by special order. Its delicately carved music desk and classic cabriole legs give this instrument an impressive air of grace and elegance. It is a unique and stylish look that will compliment your fine furnishings and reflect upon your good taste. The FP Wyman grand piano is now also available in Polished Ebony or Satin Oak finish by special order. Of course, matching padded benches are available.
